CeLAN
24 Zone Input Module
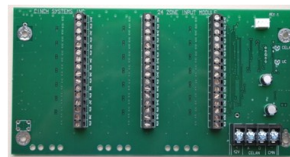

DS-Ce-24ZI Rev A

The CeLAN 24 Zone Input Module expands the Protector control panel by adding 24 hardwire input zones. You can connect multiple modules to a single panel for up to 256 input points.

Both normally open and normally closed devices can be wired to an input module. The module monitors all zones and alerts the panel if any one of five conditions exists; open circuit, short circuit, ground fault high side, ground fault low side and alarm conditions. The circuits use a 3K ohm end of line resistor to monitor each input.

The input module comes with 24 3.0K ohm EOL resistors and mounting hardware for mounting in the protector enclosure, accessory enclosure, or plastic enclosure.

The CeLAN data bus provides fast reliable, encrypted data transfer from the device to the control panel. The CeLAN provides automatic device enrollment upon initial power-up and the ability to assign text labels for easy system

Protector System CeLAN Expansion:

Ce-24ZI provides 24 zones

Ce-8ZI provides 8 zones

Ce-2ZI provides 2 zones

Features

- AES Encrypted CeLAN communications

- Five (5) state zones:
    - Open Circuit
    - Supervised Circuit (3k EOL)
    - Short Circuit
    - Ground Fault High
    - Ground Fault Low

- 'CINCH Stick' Field Upgradeable software

- Includes Accessory Hardware kit

- Mounts inside Protector or Protector Accessory Enclosures,

Ordering Information:

Part # Ce-24ZI, includes 24 3.0K ohm resistors, and mounting hardware

Mounting Considerations:

E-P Protector Enclosure - 1 module

E-PA Accessory Enclosure - 1 module

CeLAN 8 Zone Input Module

Specifications

Power Requirements:
Input: 12 VDC (10 VDC min, 14 VDC max)

Output: N/A

Current Draw: 25 mA max

Dimensions: 8.26" x 5.24" (LxW)

Environmental:
Operation Temp: 32 to 120 F (0 to 49 C)
Humidity: 90% relative humidity
Storage Temp: -30 to 140 F (-34 to 60 C)

Inputs: 24 hardwired supervised inputs

CeLAN Devices per System: 100

Supervision: 3K Ohm Resistor

**Accessories:**
Large metal enclosure: E-P
Medium metal enclosure: E-PA

Listings:
UL: 1076
FCC: Part 15
FIPS 197
